

Anise Terrace
Your Neighborhood Café and Restaurant
Serving Homemade Southeast Asian and International Cuisine

Dear friends,

Welcome to Anise Terrace, a family-run restaurant which takes pride in creating an atmosphere as close to home as you will find outside of your own dining room.

Our menu selection, combining local and international flavors, reflects our family's own journeys and our multicultural taste buds we have developed along the way: Cambodian-born, educated in France and in the United States, and our return to Cambodia.

Whether we are in the kitchen trying new or old recipes, sitting at the dining table for a meal or going from table to table greeting old friends and new ones, we are committed to the old tried-and-true tradition of warmhearted service, painstaking attention to detail, and providing a balanced menu where indulgence goes hand in hand with healthy choices.

Anise Terrace Restaurant is also proud to donate 10 percent of its restaurant profit to *Friends/Mith Samlanh*, a local NGO caring for street children. To learn more about this great organization, please visit their website at www.mithsamlanh.org. The special *Friends* recipes on our menu can be found on their 2 award-winning cookbooks sold here.

Bon Appétit and Om Namaste,

Ma's family and staff
